GUYANA CIVIL AVIATION AUTHORITY
VACANCY ANNOUNCEMENT
FLIGHT OPERATIONS INSPECTOR

The Guyana Civil Aviation Authority invites suitably qualified candidates to apply for the position of:

FLIGHT OPERATIONS INSPECTOR

ROLE
Provide safety oversight and certification for the flight and ground operations activities of all Air Operators, Aerial Work Operators, Approved Training Organizations, and Approved Ground Handling Agencies in Guyana and for all Pilots holding Guyana Licences.

REQUIRED QUALIFICATIONS

• Holder of a current Airline Transport Pilot Licence with not less than 5,000 hours as pilot-in-command of a multi-crew civil or military transport aircraft.
• A minimum of eight (8) years’ experience in airline transport operations.

SKILLS AND COMPETENCIES

• Well-developed communication (written and oral), interpersonal and representational skills.
• Experience in technical training, including visual aids, training devices and aircraft flight simulators.
• The ability to establish and maintain professional working relationships with industry and department personnel.
• The ability to communicate effectively at all levels, in both oral and written format.
• The ability to assist in establishing and maintaining the public image of the department as a competent and professional regulatory body.
• Demonstrated analytical skills, including the ability to adopt a systematic approach to problem solving in a complex technical environment and to exercise sound professional judgment under pressure.
• A willingness to commit to corporate objectives regarding the safety regulation function, including a demonstrated ability to adapt positively to, and facilitate change.
• The ability to work effectively in a multi-disciplinary team environment.

Suitably qualified persons must submit their application and curriculum vitae on or before July 12, 2021, to:

The Chairman of the Board of Directors
Guyana Civil Aviation Authority
73 High Street, Kingston, Georgetown.
Email: vacancy@gcaa-gy.org; jkshadick@gmail.com; jshadick@yahoo.com

The code FLIGHT OPERATIONS INSPECTOR must appear in the subject line of the email.

NB: Only shortlisted applicants will be notified.
